

## **MPR HRCH UH Riverswild Jiminy Cricket “Cricket”**

Cricket is a 65 lb yellow, pointing labrador retriever. Cricket loves to work, whether it is training and testing in HRC and APLA during the summer and retrieving ducks and pointing roosters in the fall and winter. Cricket has a great temperament in the field and in the house. She has retrieved ducks, geese, pheasants, sharp-tailed grouse, and huns in South Dakota, Montana, and Michigan. Cricket received the Highest Point Trophy for 2020 from Michigan Hunting Retriever Club earning 125 points throughout the year running regular HRC hunt tests. Cricket achieved her 500 point UKC HRC certificate fall of 2022. Cricket attended the fall HRC Grand and achieved her first pass. Cricket will be running MH and the HRC Grand in 2023.
