

## **MPR HR As You Wish My Name is Inigo Montoya “Goose”**

Goose is a very well-bred female out of GRHRCH, 4XGMPR, SPOT-ON Cooperstown's Splendid Splinter of Blazing Red MH, CGCA, CHCU and 4XGMPR, TC, UH, HRCH Riverswild Robin Goodfellow MH. Goose was born July 10<sup>th</sup>, 2020; she may be the happiest dog you will ever meet. Like her mother, Goose is an excellent marking dog, and she excels in the upland field. Her first taste of upland hunting was in Montana at five months old, but it was at six months old we knew she was a very gifted dog when we took her to South Dakota. Not only did her natural point come out but her ability to run down wounded pheasants, it was truly amazing to watch. In 2021 she earned her Certified Pointing Retriever title from the APLA and her Hunting Retriever title from the UKC. She was back in Montana this year showing off her staunch point on wild Huns, Sharptails and Pheasants. In South Dakota she really came into her own by not only pointing but retrieving and locating what we thought were lost birds. We only duck hunted a few times this year, but she is quiet and focused while in a duck blind. I hunt from a kayak as much as I can, and she rides very nicely. In 2023 we will be working towards her HRCH and 4XGMPR.
